

## Yuma County COVID-19 DAILY UPDATE

3:00 PM, WEDNESDAY, FEBRUARY 23, 2022

**PLEASE NOTE:** Starting in March, the Arizona Department of Health Services (ADHS) will change to weekly updates to the ADHS COVID-19 Data Dashboard. As a result, data on the dashboard will update each Wednesday starting March 2.

**FRIDAY, FEBRUARY 25** will be the last Yuma County DAILY UPDATE, due to this ADHS change. We are currently working on changes to our COVID-19 reporting, and will provide new information later this week.

Yuma County Health Officials confirm 18 new cases of COVID-19 and \*1 new death, bringing the total cases to 61,983 and total deaths to 1,122. Health officials are conducting contact investigations.

**\*NOTE:** Based on the ADHS/County Vital Records Surveillance Information, reported death occurred as described below:

▪ 2/03/2022 (1)

Vaccination is the best way to protect yourself, your family, and your community against COVID-19. Vaccines are effective in preventing severe illness, hospitalization, and death; they also help reduce the spread of the virus in our community.

The Health District is providing COVID-19 vaccine clinics Monday through Thursday from 8:30 am to 11:30 am and 1:00 pm to 4:00 pm. **Walk-Ins are now welcome, and you can still schedule an appointment at (928) 317-4550.**

**NOTE:** The Yuma County Public Health Services District is now offering the Pfizer COVID-19 Vaccine, authorized for children and adolescents ages 5-11.

The Moderna vaccine currently can be given to anyone age 18 and over. More information can be found on the [CDC's website](#).

The Pfizer vaccine currently can be given to anyone age 5 and over. More information can be found on the [CDC's website](#)

For more information about what you will need to bring, please visit the [Health District's Immunization Program](#) page or call (928) 317-4550.

#### **COVID-19 Booster Update:**

Yuma County Public Health Services District is offering COVID-19 Booster Vaccines for anyone eligible. Moderna and Pfizer vaccines are available. **Walk-Ins are now welcome, and you can still schedule an appointment at (928) 317-4550.**

**NOTE:** Local pharmacies, primary care physicians and clinics like Sunset Health and Regional Center for Border Health also have vaccines for boosters

**Testing is available at many locations in Yuma County, [click here for details](#).**

#### **Free At-Home COVID-19 Tests**

Every home in the U.S. can order four free at-home COVID-19 tests from [www.covidtests.gov](http://www.covidtests.gov) or [www.usps.com/covidtest](http://www.usps.com/covidtest). They are completely free, with no shipping charges, and you do not need to enter a credit card number.

**Please visit the [Arizona Department of Health Services – Vaccine Finder](#) for the most up-to-date information on where vaccine is currently available. The website is updated frequently.**
